

A photograph of two young women sitting on a roller coaster. The woman in the foreground is wearing glasses and a pink t-shirt, laughing heartily. The woman behind her is also smiling. They are both holding onto the safety bars. The background is a blurred indoor setting with warm lighting. A large yellow graphic element, consisting of a circle at the top and a triangle at the bottom, frames the text and the women.

# PRE-MASTER'S

The Pre-Master's Programme provides international students with a pathway to pursue Master's degrees at esteemed British universities.

This comprehensive programme delves into the intricacies of organisational dynamics, diversity, and the influences of external forces. It emphasises the ability to adapt management concepts, tools, and techniques to align with organisational culture, while fostering critical reflective thinking. At SCL International College, we offer specialised programmes in Law or Business Management, so students can choose the area they are most interested in and gain the necessary skills for success.

# POSTGRADUATE DIPLOMA IN BUSINESS & MANAGEMENT

If you're looking to do a Master's in business-related subjects at a UK university, the Postgraduate Diploma is a stepping stone. It meets the entry requirements for the University of Gloucestershire's MBA final stage.

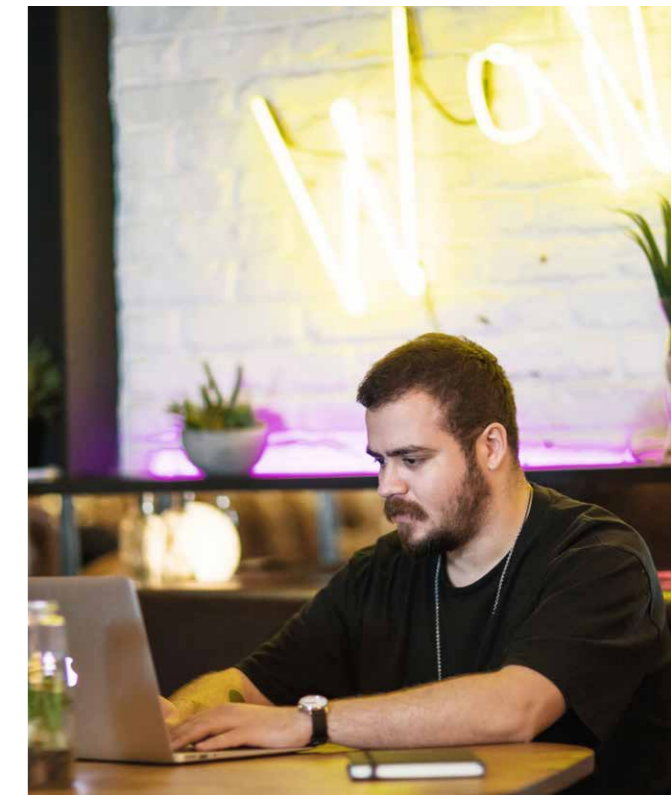

So, our course gets you about two-thirds of the way to a complete Gloucestershire MBA. You'll just need to wrap up the last 60 credits with a dissertation, either on-campus or online. You also have the option to continue with full Master's programmes at various other UK universities.
