

SAFEGUARDING POLICY

Simplified Version for Under 18s

The safeguarding and welfare of all children, vulnerable adults and young people is of prime importance to SCL International College.

Students can study at the school from the age of 11 years upwards and will be offered full board residential accommodation.

All staff at the school are DBS police checked with an Enhanced Disclosure.

On the first day you will have an Induction with the Director or one of the team to hear all about the school, the area and your course. In addition to Safeguarding the Induction will also cover the Fire Drill, Health and Safety in the school and Road Safety.

You will be given a pack with details of your programme, a wristband and a lanyard to wear with details of the school emergency contact number and you should carry details of the school address with you at all times.

The Safeguarding Team at the school is available to help you with any problems. If you need help or advice you are free to speak to any staff member as everyone is trained to be able to help you. Photos of the Safeguarding Lead and Team are on display around the school and you will be introduced to members as part of your induction.

If you are ill or unable to attend class, you must tell your group leader who will inform the school of your absence.

Under 18s are not allowed out without an adult or without written confirmation from a group leader or parent/guardian.

You will find more information in the Student Handbook for Juniors and the full Safeguarding Policy which is on the School website.
